Nature Center Steward

Description: Enjoy our beautiful Wetlands and our Wilderness Pavilion while sharing your love of nature with visitors!

The nature center steward interacts and greets all visitors coming into the nature center. Will dispense information, make program reservations, keeps nature videos running and answers phones. May also include some office duties.

Between visitors you may choose to pursue your interests, such as reading a book (we have a small very interesting and well stocked book and video library on Florida's natural environment).

Morning or afternoon shifts are available.

Weekly 3 to 4 hour shifts preferred/minimum of two shifts a month required.

Required:

Must be outgoing and enjoy working with the public. You must become familiar with basic Nature Center operations and some knowledge of the Preserves plants, animals, and habitats helpful. Office or computer experience is helpful.

Training provided.

Minimum age 16 years old.
